# Jorma Origo Encore

Origo Encore carries forward the proven architecture of its predecessor with refined construction and materials.

It carries music without colouring it — neutral, detailed, true to source.

Built to the same exacting specifications that defined the original Statement, Origo Encore offers that lineage without compromise.

**Loudspeaker**
6 x 0,5 $mm^2$ = 3 $mm^2$

**Interconnect**
3 × 0.35$mm^2$

**Power**
3 x 2.5$mm^2$
